

# RELIANCE REHAB ASSOCIATES INC (RRA)

## A Partnership of Rehab Specialists

The advantage to partnering with Reliance Rehab Associates for:  
LTC Administrators, DOCs & PTs

### Business Advantages

- RRA retains less than the LHIN approved administrative expense (i.e. <15%): 86% of physiotherapy funding goes to direct patient care (directly to the PT)
- RRA is debt free ensuring max utilization of MOH funding for patient care (not funding capital costs & interest expense)
  - RRA is financially stable ensuring consistent timely flow of funding to health professionals
- RRA is operated by regulated health professionals with a focus on patient care, not profit
- One level of RRA administration ensures quick resolution to finance & HR issues

### Clinical Advantages

- PTs working with RRA have 80%+ of LTC residents receiving physiotherapy
- PT developed tools (e.g. assessment forms) to comply with new MOH goal setting & documentation requirements
- A Clinical Operations Director to support and mentor PTs
  - Quarterly clinician meetings
  - Team support to ensure complete maternity, vacation, & sick coverage
- Compliance checks including mock MOH audits (physio only)
- Annual calibration for electro-modalities for Health Canada compliance
  - Assistance with PTA recruiting

As a RPT, would you like to receive a larger portion of MOH funding? Would you like to be able to spend more time at your facility, with residents, with your PTAs?

As a LTC facility, would you like more of your resident population to be able to access physiotherapy services, and simultaneously demonstrate greater utilization of funding through your data submission to the MOH?
